

# Improving the future healthcare workforce conference

Collaborative learning and teaching in action

**19 March 2010**

9.30am - 4.00pm, St James' Park, Newcastle upon Tyne

CETL4healthNE invites you to our *Improving the future healthcare workforce conference* - an opportunity to learn, share and engage in the direction of the centre, learn about our relationship to the new regional 'HIEC' and be part of future collaboration and educational engagement.

## Who should attend?

The conference is open to everyone from the health and education sectors but will be of particular interest to those involved in workforce development, service improvement, patient safety and innovation.

## What will be covered?

The day will be workshop based covering topics such as - 'building a collaborative culture', 'enabling learning through technology', 'professionalism', 'patient safety through service improvement', 'simulation' and 'service users and carers - listening to their voice'.

## Who will be speaking?

### Sir Alan Langlands

Chief Executive of the Higher Education Funding Council for England (CETL funders)

**Garth Long** - Professional Adviser, Education, Nursing and Midwifery Council

### Professor Lesley-Jane Eales-Reynolds

University of Westminster Director of Learning and Teaching
